

THE RAPTURE: COULD IT BE POSSIBLE THAT THIS IS THE DATE!!

Jesus was two years old when Joseph took Him to Egypt; that's a known fact. King Herod died four years later, that's a known fact. This was all discovered just recently! Then Joseph brought Jesus back to Israel; Jesus was six years old. King Herod died in 1 AD, (when Jesus was six years old) they have the date of King Herod's death! So, Jesus was Crucified in 27 AD; He was 33 years old. The veil in the Temple was ripped from top to bottom by Jesus after He died on the Cross in 27 AD, the DAY Jesus was Crucified! Now, in **Hosea 5:14-15** and **Hosea 6:1-2** it states that Jesus would tear and go away. He did that when they Crucified Him: He tore the veil in the Temple from top to bottom, and He went back to Heaven. Then it states that after two days; two days to the Lord, **2 Peter 3:8** (or two thousand years to us) the Jews would acknowledge their offense. Or in other words they would've realized that, they Crucified their Messiah! This is brought about by them seeing the Rapture take place (**Rev.11:12-13**). So, they, or the 144,000 of the 12 tribes of Israel (**Rev.7:4-8, 14:1-4, 21:9-14**) WILL receive Him as their Lord and Savior, **Rev. 14:1**. Too late to go in the RAPTURE, because the Rapture has already taken place!! But will be waiting for Him to come back for them and set up His Kingdom for the 3rd day or a thousand years to us. That puts us to 2027, when the two days are over! Then it says that they will live in His sight on the third day, or the millennial reign!! Jesus says in **Matthew 24:34** that the generation that is born when Israel becomes a nation again (it happen **May 14, 1948**) will see all things fulfilled that He just spoke of, including the Rapture! According to God's Holy Word, in **Psalms 90:10** a generation is 80 years! According to Jesus's statement in **Matthew 24:34** we can't go pass **May 14, 2028** (when Israel becomes 80 years old). Because we would go pass that generation! So, in **March 2027** the 2 days or 2,000 years are over. That WE have been "WAITING" for, before our Lord can come back for His body the Church. Now we can't go pass **May 14th, 2028**, because we would go pass that generation that Jesus spoke of. So, that would mean that the Rapture has to happen somewhere between **March 25th, 2027** (when the TWO days are over or two thousand years to us) and **May 14th, 2028** (when Israel turns 80 years old ending that generation)! Now, according to Messianic Jewish Rabbis and to include Paul in **1Corinthians 15:51-52**; the Rapture has to happen at the last Trump of the Feast of Trumpets! There are a hundred soundings of the Trumpet on the Feast of Trumpets. There are a SERIES of 11 soundings throughout the day of the Feast of Trumpets totaling 99 throughout the day. There is one sounding left that will sound at sunset totaling 100 soundings to close out the Feast of Trumpets Day. That last sounding is called the LAST TRUMP. This is what Paul was referring to when he said that the Rapture would happen AT the LAST TRUMP (**1Corinthians 15:51-52**)! Now the Feast of Trumpets falls on **October 2nd in 2027** and is on a Saturday. That is in the middle of the two dates! The ending of the two days or 2,000 years to us, **March 25th, 2027** and **May 14th, 2028** when Israel turns 80 years old ending that generation. According to all the facts that are covered here: it looks like the Rapture SHOULD happen on **October 2nd, 2027** at sunset in Israel AT the LAST TRUMP of the Feast of Trumpets!! That would make it on a Saturday close to noon time here on the east coast of the US. According to **Daniel 12:12** and **The Ascension of Isaiah 4:12-13** the Rapture happens 1,335 days after the peace treaty is signed with Israel (**Daniel 9:27**). So, if we go backwards from **October 2nd, 2027**, 1,335 days, we should have the date of the peace treaty being signed. That date would be **February 6th, 2024**! Isn't it something that both time Periods (the two days or 2,000 years to us and the last 80-year generation from the time Israel became a nation again) ends in a year of each other? How could that be possible and "that" NOT be the RIGHT DATE!! Jesus said that no man knows the day or hour of the Rapture. He didn't say no man would ever know! Plus, in **1Thessalonians 5:1-4** it states that we the brethren would know when the Rapture was going to happen! And know this, that one second before midnight to one second after midnight is two different days and two different hours! Jesus was saying that no man knows the exact second but the Father, (**Matthew 24:32-36**)! What a wonderful time to be alive, to know that we are coming to the end of that generation that will see JESUS coming back for the Rapture of His Church!

IF THIS IS RIGHT AND TIME WILL TELL, THE FOLLOWING EVENTS DATE WILL BE AS FOLLOWS!

1. The peace treaty with Israel should happen on **February 6, 2024**! And the Two Witnesses would start their 1,260 days of ministry, prophesying the coming events, **Rev. 11:3**. Date: **February 6, 2024**!
2. 1,260 days into the peace treaty, the Two Witnesses would have completed their prophecies; **Rev. 11:3**. The days will be shorten to a 16-hour day; **Rev. 8:12, Matthew 24:21-22**. At this same time Michael cast Satan out of Heaven; **Rev. 12:7-9**. Date: **July 23, 2027**.
3. 1,290 days into the peace treaty, the Abomination of desolation happens when Satan stands in the Temple in Jerusalem and claims to be God, **Daniel 12:11** and **Matthew 24:15**. Date: **August 21, 2027**.
4. The Rapture, would happen about 11:45 AM on the east coast of the US, and about 6:45 PM in Israel. Date: **October 2, 2027**!

Praise be to God; it's time for me to make up my " Short Timers Calendar "!!
